Mammen Cheese is a private owned company with two dairy productions both based in the middle of Jutland – not far from the city of Viborg. Mammen Dairy has been owned by the same family through generations. The 2. generation consists of Lars and Niels Staunsbæk who own and manage the company today.

For example Mammen Dairy produces Danbo, Samsø, Havarti and other types of yellow cheese. At Drøsbro Dairy we produce Danablu blue cheese, White cheese and other different types of white cheese.

Our mission is to produce and sell outstanding cheese based on danish craftsmanship and tradition mixed together with the newest and most innovative methods of production in order to make the best cheese possible. Today we produce 6.000 ton per year – our aim in the future is to reach 10.000 ton per year.

Our dairies and administration employes approximately 50 people.
